

Brothers,

I hope everyone enjoyed a happy and safe holiday season. The end of the year was a very busy and successful time for the undergraduate chapter. In December the chapter initiated 11 new members into the fraternity. At the same time the Chapter had the highest GPA (3.108) among fraternities. The associate member class had the highest GPA (3.342) of all Greek organization. These are tremendous accomplishments for the chapter and set them up well for the spring semester.

With the newly initiated, the Chapter has a total of 22 members with 13 living in the house. At current house occupancy the Alumni Corporation will be running in the black this semester, for the first time in some years. This allows us to make some much needed improvements to the house. Along with other alumni donations, we have bought a new dishwasher, are in the process of upgrading the aging Wi-Fi network and will be purchasing additional chairs due to the increasing size of the chapter.

We have set this year's Alumni Work Weekend for July 10-12<sup>th</sup>, 2015. I encourage everyone to make the trip down to lend a hand. You can spend time with your brothers while at the same time giving back to the next generation of DU men.

The Corporation is on a path of sustainability. This has been made possible by the hard work of numerous alumni. I am encouraged by what I see and am optimistic for the future of chapter and the Corporation. I look forward to seeing you all at Alumni Weekend, April 24 – 26<sup>th</sup>, 2015.

Dikaia,

Sean Kraus

Alumni Corporation President
