VIII. Advisor Reports

- **Chapter Advisor: Dave Maguire-** There are three things that everybody on E-Board must do to make this as successful of a semester as possible that is: proper planning, organizing, and communicating among each other. This semester officers will be meeting with an advisor either weekly or biweekly in order to keep tabs on everything and increase productivity. Also this semester we should work on achieving a universal knowledge of the bylaws as a whole chapter.
- **Faculty Advisor: Dr. Tom Cody- Absent**
- **Graduate Assistant: George Theotokatos-** I will be making contact with everyone at some point in order to hear from everyone what your plans are for this semester and what you need from me this semester so that we can run as smoothly as possible.
